ASSISTANCE TO FAMILY RESETTLING IN DURHAM

One of our members, Bruce Wells, has been hosting men who are resettling in the Durham area through World Relief. One of those men is a believer from the Congo, and seven of his family members recently arrived in Durham. The family of eight is currently living in temporary housing, and World Relief is in the process of helping them find a rental house (hopefully by mid-May). CGS is assisting the family by providing household items they will need when they move to their rental home. To sign up to donate new or gently used items, go to www.tinyurl.com/MFamily523. We are aiming to collect these items **by May 14**. There will be a collection bin in the Narthex, or you can have them shipped directly to CGS.

CURRENT SMCS

The following SMCs meet **each Sunday at 9:30am through May 21**:

- **Habakkuk—Is God Really in Control?** with Bob Burns (Room S212)
