## Developing Young People to Face the World

### Interested in becoming a Board member?

#### Volunteer Positions available in Edinburgh

1. Treasurer - with accountancy qualifications and experience.
2. Trustees - general skills and experience.

#### Role

We are specifically recruiting a finance expert and are also looking to diversify and expand our Board. We welcome interest if you have time to give to our small growing charity.

If you have skills in finance, fundraising, leadership, governance, strategy development, and human resources, and have 6-8 hours to spare each month we would love to hear from you.

We will support anyone with no previous experience of being on a Board.

#### About U-evolve

Established in 2015 and is a Scottish Registered Charity SCO45864. U-evolve provides support to vulnerable teenagers who have been, or at risk of being excluded from school. Their behavioural challenges stem often from adverse childhood experiences (ACEs). Many have experienced abuse, neglect or issues with family such as mental illness, violence, substance abuse, chaotic parenting, incarcerated parents which have a significant personal impact on their ability to cope and succeed at school.

We provide therapeutic coaching and consistent role modelling to support young people to recover from the challenges they experience on a daily basis. We help teach them to be secure within themselves by developing their self respect and self esteem. We work with them to develop their resilience, mindset and attitude as they become confident enough to engage with education, apprenticeship and opportunities.

#### Application notes

For more information or to request an application form please contact: [hello@u-evolve.org](mailto:hello@u-evolve.org) or text or call our Vice Chair on 07914269194.

Applications are invited by 30 September 2018 and we will contact applicants in early October with a view to start in November.
