This ruler features exclusive markings to help you create perfect 6" , 8" , or 10" pineapple blocks. Since each round is squared up before the next round of strips are added, the results are spectacular.

Designed By: Jean Ann Wright

Sew Round #3
To complete the third round, sew a strip to each side of the unit trimmed in Round #2.

Cut Round #3 (angle)
Place the 45° white line on the seam line of round #2. The three angled white lines perpendicular to the angled edge of the ruler are additional guides to help position the ruler for the remaining angled cuts. Trim all four sides.

Sew Round #4
To complete the fourth round, sew a strip to each side of the unit trimmed in Round #3.

Cut Round #4 (corner)
Place the black solid square marked ‘Centering Square – Round #4’ on the center square of the stitched unit. Trim two sides. Turn the stitched unit 180° and trim the remaining two sides.
Completing the 6" Finished Pineapple Block
To make the 6" finished block, place the 45° white angle line on the seam line of round #4. Trim all four sides.

Sew Round #5
To complete the fifth round, sew a strip to each side of the unit trimmed in Round #4.

Cut Round #5 (angle)
Place the 45° white angle line on the seam line of round #4. Trim all four sides.

Sew Round #6
To complete the sixth round, sew a strip to each side of the unit trimmed in Round #5.

Cut Round #6 (corner)
Place the black dashed square marked ‘Centering Square – Round #6’ on the center square of the stitched unit. Trim two sides. Turn the stitched unit 180° and trim the remaining two sides.

Completing the 8" Finished Pineapple Block
To make the 8" finished block, place the 45° white angle line on the seam line of round #6. Trim all four sides.

Sew Round #7
To complete the seventh round, sew a strip to each side of the unit trimmed in Round #6.

Cut Round #7 (angle)
Place the 45° white angle line on the seam line of round #6. Trim all four sides.

Sew Round #8
To complete the eighth round, sew a strip to each side of the unit trimmed in Round #7.

Cut Round #8 (corner)
Place the black solid square marked ‘Centering Square – Round #8’ on the center square of the stitched unit. Trim two sides. Turn the stitched unit 180° and trim the remaining two sides.

Completing the 10" Finished Pineapple Block
To make the 10" finished block, place the 45° white angle line on the seam line of round #8. Trim all four sides.

Sew a 2 1/2" x 4" rabbit unit to the outside edge of strip #8. Place the black solid square marked ‘Centering Square – Round #8’ on the center square of the stitched unit. Trim two sides. Turn the stitched unit 180° and trim the remaining two sides.

Note: If you are making an 8" or 10" finished block, skip to “Sew Round #5”.

Note: If you are making a 10" finished block, skip to “Sew Round #7”.
