TELEPHONE 616 343-6121

SALES BULLETIN #12-73

AUGUST 9, 1973

## NEW YORK DEFOGGER - DEFROSTER LAW

Due to the amended requirements of Section 375 of the New York State Vehicle and Traffic Law, all 1974 model Checker Marathon Sedans and Taxicabs sold for delivery in New York must be equipped with rear window defoggers.

1974 orders already received, calling out a New York resident as customer, will be revised to include this option. Please specify the rear window defogger option on all future 1974 Marathon Sedan or Taxicab orders you send in for New York customers.

A handwritten signature in blue ink, appearing to read 'D. Becker'.
