

ENGINEERING MEMO #128

TO: Memo Distribution
FROM: S. Wilson
SUBJECT: CHANGING OF SEAT SPRINGS FROM "BUY" TO "MAKE"

Due to the fact that Stubnitz Spring Division is terminating production of our Seat Spring Assemblies, Checker Motors will fabricate same when present stock has been depleted.

Completed Seat Springs will be interchangeable with the exception of A-12E "Limo." Split Rear Back Springs. Old style Limo. Springs can be reworked to new.

Listed below you will find the old and new completed Seat Springs plus (2) individual parts to be cancelled.
