RADIATOR REVISION

Due to a change in vendors, our present radiators will be replaced and replaced by a new design. Old and new radiators similar in design with the main difference being in the tank. New radiators along with new upper Brkt. & Pad assembly can be used to service old in sets only. This revision will be effective w/out obsolescence of old radiators assuming new will be available at that time.

PARTS TO BE AFFECTED

	<u>NEW</u>	<u>DESCRIPTION</u>
137	701715	Radiator Assem-1-1/4" Core 8 Fin (6 Cyl.)
