ENGINEERING MEMO #187

TO: Memo Distribution
FROM: B. Lewis
SUBJECT: REVISION OF FRONT SEAT BACK TRIM PANELS

In order to consolidate parts and to improve assembly, the taxi Cab Front Seat Back Trim Panel, and the Aerobus Front Seat Back Trim Panel will be revised so as to be identical to the Marathon Trim Panel except for facings.

This change will be made as soon as possible with a minimum of obsolescence of cancelled parts.

Service will not be affected in as much as the new Trim Panels Assemblies can be used to service old.
