

ENGINEERING MEMO #208

TO: Memo Distribution  
FROM: B. Lewis  
SUBJECT: BENDIX BRAKE MODELS B-12W6 & 8

Effective Jan. 1, 1968, a new Bendix Brake with revised linings must be used on Model B-12W6 6-door Aerobus.

The present Brake will be cancelled and the remaining stock limited to use on B-12W8 8-door Aerobus without obsolescence.

When all old stock is exhausted the new Brake can be used on all Aerobuses.

The new Brake can be used to service the old when used in sets only.

List of Parts Affected:

NAME	B or M	OLD PART	NEW PART	I	A	REMARKS
Brake A. - Rear LH	B	701441	703189	NO	NO	Use W/O Obsoles. on B-12W8
