ENGINEERING MEMO #266

TO: Memo Distribution

FROM: B. Lewis

SUBJECT: INSTRUMENT PANEL PAD COLOR REVISIONS FOR MODELS  
A-12, A-12E, A-12W & A-12WB

Effective without obsolescence of stock on hand or vendor commitments, the present Red, Blue and Brown Instrument Panel pads will be cancelled and replaced by the current Black pad.

In order to coordinate the colors of the Steering Wheel, Instrument Panel Pad and Instrument Panel Assembly, all Instrument Panels, Ash Trays, Glove Box Doors, Access. Panels, etc. will be painted Chroma Black (7 New L5) only, effective at once.

List of Parts to be affected. (Active per Memo #254):
