# “When a Foreigner Joins God’s People” (Exodus 18)

2. Jethro serves the community of God’s people (vv. 13-27).

He gives Moses advice on how to solve a problem.

Moses was a prophet.

Jethro was a priest.

Moses acted as a judge/king.

Jesus is a prophet.

Jesus is a priest.

Jesus is a king.

# What can we learn from the story of Jethro?

1. God loves all people – then and now.
2. God's love for people is communicated through us when we tell them how God saves us.

about God's work in your life?
