**Over 60

Presented by:
Friends of the Chicago River

Join thousands of volunteers for our annual signature cleanup event, Chicago River Day on Saturday, May 11, 2019. Now, more than ever, people recognize the river is a natural resource which provides us a place to play, relax, and enjoy nature. We need your help to #LosetheLitter, beautify the banks, and improve this important habitat. Volunteers receive a #ChicagoRiverDay T-shirt as a thank you gift and are invited to after-parties hosted by Metropolitan Brewing Company and Blue Island Beer Company to meet fellow river Friends.

Ruby meadowhawk dragonflies, painted turtles, Great blue herons, frogs, foxes, mink, muskrat, beaver, butterflies, bats, otters, osprey, all call Chicago River system home. Getting rid of unsightly and dangerous garbage ensures all animals, humans included, are able to fully embrace all the river has to offer.
