

Chicago River Day - Photo Shot List

We want to see all the good work done at River Day sites. Here are some tips on the types of pictures to take:

High Priority

- Small group photo around a project they just completed or are in process of completing
- Students all together in front of their project
- Shot with people and river in background
- Shots of corporate sponsors and their corporate branding (i.e. t-shirts, hats. Logos)

Other photos:

- Group photo with all the garbage in front on them
- Group photo: Strike a pose, get goofy
- Family shot with kids in T-shirts
- Unusual garbage from the river with volunteer
- Cool natural artifact: animal skull, lady bug discovered and displayed by volunteer
