**Address or Nearest Intersection:**
107th Street and 104th Ave., Willow Springs, IL

**Directions:** There are three access points at Saganashkee Slough. The best for macro sampling is at the west end, at the Boat Launch. Turn west onto 107th from LaGrange Rd. and cross 104th Ave. The boat launch entrance is on the south side of the street.

**Owner:** Forest Preserves of Cook County (permit required)

**Habitat Description:** With four miles of shoreline and 377 acres of water, Saganashkee Slough is one of the Forest Preserves’ largest bodies of water. Visitors can view migratory waterfowl from the open shoreline and trails. The slough supports a number of fish such as crappie, catfish, largemouth bass, northern pike and bullhead.

**Access to water:** Access to the water is very easy at several points along the shore. The water is wadable for quite a distance out into the slough.

**Amenities:** No bathrooms. Open fields available for lunch.

**Parking:** Vehicles can park at the Boat Launch parking lot. Access to the water is nearby.

**Capacity:** 60 students
107th St. & 104th Ave.
