All prices are subject to change without notice.

INTENTIONALLY BLANK. CONTINUE TO NEXT PAGE.

All prices are subject to change without notice.

*** ORDERING AND DELIVERY**

Orders for production aircraft should be placed with Pitts Special aircraft dealers. Orders for other items may be placed either with dealers or with the Christen factory. An order acknowledgement is sent to the ordering dealer or customer. Delivery of scheduled items is indicated on the acknowledgement. Delivery of other items is normally made within one week.

*** PRICES AND PAYMENT**

Prices for all products are those in effect on the date of order, except for production aircraft whose prices are those in effect on the scheduled delivery date. Customers will be notified of any price increases at least 60 days prior to the delivery date. If an increase applies, customers may cancel orders within 30 days of notice and receive full refund of deposit.

For production aircraft, a cashier's check deposit of \$2000 is required with order, and the balance of purchase price is due as a cashier's check when the aircraft is available for delivery. All other items may be ordered COD, or payment in full is required with order by check, money order, or VISA or MasterCard credit card. A \$1.65 charge is made for handling COD shipments. 6% state sales tax is charged for orders delivered to California addresses.

*** SHIPPING AND PICK-UP**

Production aircraft are delivered at the Christen factory in Afton, Wyoming. All other items are shipped to their destinations by common carrier (UPS or motor freight) FOB Afton, Wyoming or FOB Hollister, California. For some items a standard shipping charge is listed for any United States destination.

*** FOREIGN ORDERS**

Orders either from dealers or customers outside the United States which cannot be shipped by common carrier COD are shipped to an export agent in the United States who is designated by the dealer or customer. All costs of shipping, including any special packaging required, and all export/import fees are charged to the export agent who represents the dealer or customer.

*** WARRANTY POLICY**

Production aircraft are guaranteed to be free from defects in materials and workmanship under conditions of normal use for a period of 90 days or 100 flight hours following delivery, whichever occurs first. All other products are guaranteed to be free from defects in materials and workmanship for a period of one year following delivery. These warranties are in lieu of all other applicable warranties, either expressed or implied.

All prices are subject to change without notice.

Following are information packages for Christen aircraft and sport aviation products. Items from the Pitts Special information package are also listed separately for individual selection.

PART NUMBER	DESCRIPTION	UNIT MEAS	UNIT PRICE	CALIF SLS TAX	STD SHP CHARGE
* INFORMATION PACKAGES					
800-1	SPORT AVIATION INFO PKG Descriptive brochures and data for inverted oil systems, fuel pump systems, seat belt/harness systems, aircraft care products, and Blue Max Oil. Includes price list, order forms, and \$4.00 refund certificate applicable to any order for non-memorabilia merchandise. Price includes sales tax and first-class postage to destinations in the U.S. Add \$1.00 for AD postage to destinations outside the U.S.	EA	\$5.00	\$0.30	NONE
900-2	EAGLE II INFO PACKAGE Descriptive brochures, kit descriptions, performance and specification data, flight test data, magazine article reprints, price list, purchase agreement, mail order forms, and \$20.00 refund certificate applicable to any order for non-memorabilia merchandise. Price includes sales tax and first-class postage to destinations in the U.S. Add \$2.00 for AD postage to destinations outside the U.S.	EA	\$20.00	\$1.20	NONE

S-1S-EW	S-1S-E PITTS SPECIAL DWGS Complete fabrication and assembly drawings, illustrated parts book, and airplane flight manual for S-1S aircraft with symmetrical airfoils and four ailerons. For experienced aircraft homebuilders who can work from drawings and parts lists only. Includes authority to build one aircraft.	EA	\$200.00	\$12.00	NONE

All prices are subject to change without notice.

Pitts Special construction kits are designed for simple construction with ordinary hand tools which can normally be purchased from local hardware stores. Exceptions to this are a few special aircraft tools which are required for some construction operations or which may not be required but which offer great convenience to the builder. Following are tools which are not normally available from local hardware store sources and which are either required or recommended for convenience.
