4 by 4 by day,  
4 by 4 by night  
4 by 4 the summer and for doing it right  
4 by 4 more hours o’ summer light  
Where all the colored beach balls are black and white

4 the summer parades with no street-  
4 by 4 the dance floor sand kickin’ up under your feet.  
4 fireworks on more than 4 by 4<sup>th</sup> of July  
4 filling our hearts, our soul, our sky.  
4 our 75 years of livin’ 4 by 4ever

### **Jeep Brand Super Bowl 50 Spot: “4x4ever (:60 LYRICS) | Vocals by Morgan Dorr (Sony/ATV Music Publishing)**

4 by 4 by Land, 4 by 4 by Sea  
4 by 4 by Air – ‘cause I like to fly free  
4 by 4am that’s when I rise  
Sneak up on the landscape catch it by surprise

4 my country and how it all started out  
4 the brave and every boy scout  
4 the fun of it, ‘cause you know you can  
4 by 4 more air, more sea, more land.

4 by 4 doin’ it yourself cuz you want it done right  
4 by 4 the top down – stars keep ya up at night  
4 stones that were meant to be turned  
4 the dares and the thrills you’ve earned

4 by 4 conquest, 4 by 4 dreams  
4 by 4 waking up and crossing those streams  
4 by 4 every one of those seventy-five years  
4 by 4 the wave – that’s how we say ‘cheers’

That’s how we live 4 by 4ever
