

2021 Jeep®: "The Middle"

VO: There's a chapel in Kansas.

Standing on the exact center of the lower forty-eight.

It never closes.

All are more than welcome.

To come meet here, in the middle.

It's no secret ...

The middle has been a hard place to get to lately.

Between red and blue.

Between servant and citizen.

Between our freedom and our fear.

Now, fear has never been the best of who we are.

And as for freedom, it's not the property of just the fortunate few; it belongs to us all.

Whoever you are,

wherever you're from.

It's what connects us.

And we need that connection. We need the middle.

We just have to remember the very soil we stand on is common ground.

So we can get there.

We can make it to the mountaintop, through the desert ...

and we will cross this divide.

Our light has always found its way through the darkness.

And there's hope on the road ... up ahead.
