Fuel Economy

Based on 2015 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

	City L/100km (MPG)	Highway L/100km (MPG)
3.6L Pentastar VVT V6 with 6-speed automatic	14.1 (20)	9.5 (30)

1. Based on WardsAuto Small Van segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 2. Detects most obstacles. Always use care. 3. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 4. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared take corrective action to avoid collisions. 5. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 6. Not compatible with all garage door openers. 7. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 8. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone.
