Fuel Economy Based on 2016 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

	City L/100km (MPG)	Highway L/100km (MPG)
3.6L Pentastar VVT V6 (automatic)	12.4 (23)	7.8 (36)
5.7L HEMI VVT V8 with FuelSaver MDS (automatic)	14.8 (19)	9.3 (30)
5.7L HEMI VVT V8 (manual)	15.6 (18)	10.0 (28)
6.4L SRT HEMI V8 with FuelSaver MDS (automatic)	15.7 (18)	9.5 (30)
6.4L SRT HEMI V8 (manual)	16.8 (17)	10.4 (27)

DISCLAIMERS: Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (June 2016). Some of the equipment shown or described throughout this document is available at extra cost. 1. Based on the latest available competitive information and MotorAuto Middle Specialty Car segmentation. 2. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 3. No system can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 4. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 5. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 6. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 7. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 8. Additional fees will apply for retailer-activated navigation. 9. Not compatible with all garage door openers.

2017 DODGE CHALLENGER SRT®

MOST POWERFUL MUSCLE CAR EVER¹

- 6.2L Supercharged HEMI SRT Hellcat V8 delivers 707 hp and 650 lb-ft of torque, enabling an NHRA-certified 10.8-second ¼-mile time¹
