*Tuesday, November 14<sup>th</sup>, 12:00-1:00 p.m.  
Johnson Center, Meeting Room D (#333)*

Nervous  
about an  
upcoming law  
enforcement  
interview?

Graduation  
right around  
the corner?

Thinking  
about the  
future?

Look no further! It's a great idea to start preparing for the application process and that first interview (which can often feel like an interrogation if you're not prepared!).

**Professor Bamford** and **Professor Staszak** are teaming up to talk about the application procedures and teach you how to nail your interview!

**You will learn:**

- Application procedures
- What type of questions to expect
- How to communicate your strengths
- What the interview panel is really looking for in a candidate
