About Us

In 1995, it began as Generation Interns with the mission to train leaders that would affect all areas of culture with the love of Jesus. Through clear Bible, doctrine, and leadership teaching from leaders within the church, along with practical ministry training in all areas, nearly 2,000 students have been trained over 22 years.

We are now Churchome College. Students have joined us from all over the world but the mission remains the same: to equip people who will influence and lead in every sphere of society. Our church has always had the desire and grace to release leaders into our city, our nation, and to the most influential cities of the world. As our church expands into the future, we will continue to build leaders in every city we venture into. Moving forward into the next 25 years of Churchome, we at Churchome College are even more committed to building secure, Jesus led leaders who love people and influence their world.

Acceptance Standards:

Acceptance into Churchome College will be determined by your application portfolio, references, and an interview. Three factors contribute in determining whether it is the right time for you to be a student in Churchome College:

Spiritual Authority:

We want to know that the spiritual authorities in your life (parents, pastors, and leaders) all agree that this is the right training environment for you at this time.

Personal Life:

Spiritual maturity and preparedness are key factors in determining entrance into this program. In order to be considered for acceptance you must have been committed to a local church for 6 months.

Finances:

You must demonstrate financial stability in order to become a student. Students are not permitted to work full time jobs, but they may work part time (up to 20 hours per week) as long as it does not interfere with the Churchome College schedule.

Classroom Instruction:

The Churchome College classroom includes courses in Bible, Doctrine, Leadership, practical ministry, and life skills. Instructional application is directed towards the practical life of following Jesus. The classes offered are Portland Bible College courses taught locally by our instructors. Students who complete two years will receive an Associate degree in Church Ministry.

Ministry Training

Our college students are involved weekly in multiple areas of Churchome. They choose early on what department or specific campus to connect to and be trained in. Students also help out on school campuses, and are very involved in our Sunday experience. Classroom and ministry experience go hand in hand, and we love to integrate the two in a well-rounded College experience.

Missions and Outreach

Churchome College offers mission trips through Churchome to various local churches we are in relationship with in the U.S. and around the world. We also participate in various Jesus is community service projects throughout our city and region.

Spiritual Lifestyle

Each College day begins with a time of worship and prayer. Our life is a response to Jesus' love for us, and our day begins with remembering He is everything and talking to Him about everything. Our students help lead small groups and we participate in small groups and the larger community of Churchome. The Churchome College experience is preparation for the full, exciting life of following Jesus personally, and in the life of community.
