

## GUEST (NON-PARENT) LUNCH PERMISSION

I give permission, shown by my signature, for \_\_\_\_\_  
to sit with my child during his/her lunchtime. I understand that the visit may not exceed  
the time allotted for my child's lunch period and no outside food may be provided for my  
child by the designated visitor. All visitors to the school and cafeteria agree to follow the  
established rules. The lunch visit will only occur in an area of the school that contains  
school staff. The listed school visitors will not proselytize while at the school.

I will make my child aware that the designated guest may be visiting them during their  
lunchtime.
