

DNOW2019

INFORMATION

WHAT IS D-NOW?

Overly simplified: It is a conference mixed with a student exchange program. D-Now is short for "Disciple Now." For this event students will be put into groups of 4-6 teens (of the same gender) and assigned a "host home" to stay in for the weekend. This event is a joint venture with 10-15 other area churches where we will join with about 300 students from around the Wendell/Knightdale/Zebulon/Bunn/Raleigh community for worship, ministry opportunities and more!

WHAT WILL WE DO AT DNOW?

DNOW is a truly unique event. It's like going on a retreat or conference trip in your own town while bumping into lots of friends you might see in school. In short, it's a Christian Conference with lots of loud music, games, amazing teachers, discussions (for those who like to discuss, others are welcome to listen in), delicious food and tons of time with friends while making new friends. Every year teens rave about this event and is the one event each year they cannot wait to do again.

WHO CAN GO TO D-NOW?

Any student in grades 6-12. Friends who do not attend Bethany or Refuge are welcome!

CAN MY FRIENDS COME?

Absolutely! All friends who come (those new to Bethany) **will be grouped with the student who brought them.**

HOW MUCH DOES IT COST? WHAT DOES THAT COVER?

The total cost for this weekend is only \$50! It covers all of your food, lodging, transportation, materials, admission, wristband and a t-shirt. Note: A significant portion of this weekend's experience is being covered by Host Families who will provide transportation, two meals, lodging and snacks for participants (so make sure you thank them!!).

WHAT IS THE PURPOSE OF DNOW?

The focus is fourfold: **(1)** to build new relationships between our teens and church families (this unifies us as a church; the free time, family time, staying together and learning together will help this), **(2)** for students to build stronger relationships between themselves (unity within our youth ministry), **(3)** for our church to build stronger relationships with other churches (teens with other teens, adults with other church adults, etc.), **(4)** challenge students to examine their lives, foundations and to reposition themselves before Jesus.

WHO ARE THE HOST FAMILIES?

Specific host families are not revealed until the first night of DNOW. All host families are married couples/families who are members in good standing of Bethany Baptist Church. In addition to the host family we will also have an approved Refuge Staff member staying with the teens.

WHO WILL TRANSPORT MY TEENS FOR THIS WEEKEND EVENT?

Students will be driven to and from Host homes and other destinations by the Host Family to whom they are assigned.

WHAT ARE THE SLEEPING ARRANGEMENTS?

Students will sleep at the Host Families homes (they will be assigned a family for the weekend and will stay there). Students will be assigned homes based on gender (and, if possible, age). Depending on the house they are assigned and what that family has available, students will either sleep in beds or on the living room floor (most likely the floor).

END: We will end Sunday, March 31st after the morning service (approximately 12:15pm). Your parents/family are encouraged to come to the morning Small Group class and service with you so they can hear about the weekend during the service.

WHAT IS THE THEME THIS YEAR? WHO IS THE SPEAKER?

The **theme** for the weekend is “War Cry” and will focus on spiritual warfare and standing firm in our faith against our adversary, the devil. Our speaker this year is Pastor Eddie Briery from Shreveport, Louisiana and we will be led in worship by Jeremy and Kat Robertson and an all-star team of BeDoTell Band Members.
