

WIRED Newsletter

Nov. 28, 2018

What a great season we're entering as we anticipate the celebration of the birth of our Savior! Plan to join us for the following upcoming events:

Upcoming Events

- ◆ 12/5 Christmas Party during Wired
- ◆ 12/12 McCarnan open house
- ◆ 12/19 Caroling
- ◆ 12/26 and 1/2 No Wired

McCarnan Open House: Wednesday, Dec. 12: As the McCarnan family prepares to move at the end of this year, please join us to have a fun night with them as we say good-bye. Come for any or all of it from 6-7:45 pm. Food will be provided. (This will take the place of wired this week)

Caroling: Wednesday, Dec. 19: Bring your whole family and join us for a fun night of Christmas Caroling. Simple Supper of chili soup will be at 5:30 followed by groups going out to sing to local shut-in/elderly. This is such a fun way for all ages to serve and share the love of Jesus. (This will take the place of wired this week)

The New City Catechism: We've completed questions 1-7, please continue to review these often.
