I ❤️ MY CHURCH

We start this month with the best start you could ever ask for: celebrating the Resurrection of Jesus Christ our Lord. That moment marks the turning point of human history, and the turning point of many of our own lives. When Jesus rose from the dead, everything changed. When I claimed His victory, everything changed for me.

This month we celebrate His resurrection and will begin a new series looking at how we love what His resurrection won--His family the Church. What does it mean to love our church? How can I start growing to love this or any church? Whether you have been here at BBC since the beginning, or you're wondering what it means to join a church, this series is for you. God loves you, and we love you.

God bless you,

Dan Cook, Lead Pastor
