The old song says, "The Battle Belongs to the Lord." In other words, it's His fight, and His victory. That's a very important thing to remember, because God doesn't lose. When you give Him something- your struggle with sadness, temptation, fear, etc.- it becomes His and He will not lose. That means His victory becomes yours.

Sadly, we sometimes want the victory to come in our way, our timing, through our methods. But to truly give it to God means that we must surrender to His way, His timing, and His methods. That can be hard, but surrender isn't an easy word or concept.

But be strong. Surrendering a problem or a struggle, or your very self to God, means in His time you will win. Because He did and always does.
