JANUARY – APRIL 2018

IN THIS ISSUE

New Year of Calvary Kids

I am excited for a new year of Calvary Kids at Calvary Gospel Church. I truly believe 2018 will be a great year for this program. I'm determined to make Calvary Kids a substantial and important part of your child's week. To do so, I need your prayer! Prayer for our lessons, prayer for our teacher's to be used by God, prayer for the kids to hear Biblical truths and for their hearts to be opened to the Gospel. I want to let you know that I have made a commitment to pray for your child(ren) each and every week this year. Please feel free to hold me accountable and ask if I have been doing so! Also, you can email or text me if you have any specific prayer requests (see contact information at bottom of page).

What if we all prayed? I think amazing things can happen in our kids, church and community.

Important Parent Reminders

Some students haven't been officially registered for Calvary Kids. Registration forms were put in your mailboxes in September. If you haven't handed them in please do so. And you may find a new one in your mailbox this week with a reminder ☺ Please fill them out and return them to Melissa Davies asap. If you are new please grab a registration form for your children from the Welcome desk. You will also be receiving a sheet with the Memory verses for the winter (attached).

Please help your children memorize the verse each week. Perhaps make it your families verse and work on it together? Memorizing scripture is so important and I believe our little ones can surprise us with their abilities here. God wants us to store His words in our hearts. Please help us by practicing at home. Check out Psalm 119:11, 2 Timothy 3:16 and Jeremiah 15:16 for encouragement!

Check out Charge!

Calvary Gospel's mid week kids program returns on Wednesday January 10th. The program runs each Wednesday from 6:30-8:00 pm. It's a great way to recharge half way through the week! Charge also uses "The Gospel Project" curriculum, but is working through the New Testament while Calvary Kids is in the Old Testament. Charge also has lots of fun activities and crafts. Students can earn prize money at both programs to spend in the prize room. Plan to attend Charge in the new year and bring some friends too.

Want to Get Involved?

I need some volunteers in a wide range of areas on Sunday mornings. Kids worship leader, Bible lesson teacher, Toddler room teacher and helpers. Even if you can help once every 6-8 weeks you can be of great help and use! Let me know asap as I'm trying to plan for the new year.

Sunday Morning Format

10:15-10:45: Children are signed in by their parents at the upstairs Calvary Kids Welcome desk and go to the service with their family.

10:45-11:20: Children are dismissed from the service and go to the lower auditorium for singing and the Bible lesson.

11:20-11:45: Discussion, memory verses, activities and crafts in small groups/classrooms based on lesson.

THE GOSPEL PROJECT FOR KIDS

The Big Picture of God's Story

The Gospel Project® for Kids immerses kids and preschoolers in the gospel through every story, theological concept, and call to mission from Genesis to Revelation. Ultimately, the gospel message changes everything; heart transformation can only take place when a child experiences the gospel. Through The Gospel Project® for Kids, kids and preschoolers will understand the Bible is not just a collection of stories, but one unified story—God's story of redemption.
