Nehemiah 2:4-5 “⁴Then the king said to me, “What do you request?” **So I prayed to the God of heaven.** ⁵And I said to the king, “If it pleases the king, and if your servant has found favor in your sight, I ask that you send me to Judah, to the city of my father’s tombs, that I may rebuilt it.”

Like Nehemiah **be brief**. (“Arrow prayers”)

Limit yourself to (at most) a couple of sentences at a time, covering one thought instead of many.

Use everyday language.

Pray spontaneously instead of going in order.

Build on prayers of others as in conversation. It will be clear by silence that a topic is complete.

If a scripture comes to mind, do pray it if it seems at all related. This is often how the Holy Spirit edifies our prayers.

Pray loud enough so others can hear you. For those with soft voices, pray with your head up.

Pray along silently with the one who is praying.

Discipline yourself **not** to think about what you’ll pray but actively pray silently with others.

Don’t rush to fill a silence. Silences are normal and can be restful.

Don’t close each prayer *in Jesus’ Name, Amen*. Assume that every prayer is prayed in His Name. This fosters a continuity (flow) in prayer until the very end when the leader of the group will close the prayer session *in Jesus’ Name*.
