

Hello,

My name is Joy Jenen and I am the Program Coordinator at Camp Manitoqua & Retreat Center. I am excited that you are interested in serving with us this summer! I went to camp here as a camper and worked on staff during my college summers! Camp has always been a place where the environment and the community have challenged me to grow in my relationship with Christ.

At the heart of Camp Manitoqua & Retreat Center is a desire to help people find Christ and grow in their faith. We want our summer staff to use their gifts and abilities to teach children about God *and* give them a fun time! We also want our summer staff to be intentional in their community with each other and in their own personal walk with Christ. Our hope is that the staff, campers, families, and volunteers will form a community in which connections are made in an environment of growth and refreshment.

We are intentional in who we hire. Each staff member contributes to the whole and is a valuable part of the Manitoqua team. Commitment to God and willingness to serve are of high value to us. Therefore, I ask that you *prayerfully* consider serving with us. I encourage you go through the application process as it may help you discern if Manitoqua is the right place for you this summer. Applications can be submitted online or through our office. Feel free to contact me if you have any questions or would like more information. I look forward to hearing from you.

May God give you direction and wisdom in your year ahead, and for the coming summer!

Blessings,

Joy Jenen | Program Coordinator
