JOURNEY KINDERGARTEN TO GRADE 2

The curriculum for K to Grade 2 focuses on introducing students to a relationship with God and what it means to be a part of the church as they worship through singing and Bible study. The students will experience the Bible come to life through a study of Old and New Testament Bible stories, life application lessons, prayer, and games each week. They will build lasting relationships with their peers and leaders as they meet each week. In addition, the parents are given an opportunity to share in their child's spiritual growth at an early age through review of weekly lessons. Ultimately, their eyes will be opened to the amazing, limitless love that God has to offer them.

THE JOURNEY GRADES 3 - 5

The curriculum for Grades 3 to 5 gives students an opportunity to develop deep, consistent relationships with the Lord, other students and leaders as they meet weekly to study the Bible together. They will begin in Children's 101 as they recognize and reflect upon their relationship with Jesus. Children's 201 challenges students to dig deeper in their faith through spiritual disciplines. Next, students will assess their own SHAPE and how God can use them to serve in ministry in Children's 301. As they've complete 101, 201, and 301 each week they will find a place to further develop their walk with Christ by serving in ministry and sharing Christ on the mission field.
