CSPC Library Staff Pick for August - Director of Worship West Breedlove has two recommendations: "The first is actually a free app for iPhones and iPads. *Bible for Kids* by LifeChurch is for ages 6 to 8. It really has my kids looking forward to devotions. It's interactive and fun, solidly biblical, and designed to reinforce the important themes in the lessons. The second is John Owens' beloved book *Mortification of Sin* (published 1656) is a powerful instrument in the Great Physician's hands for rooting out besetting sins. With great precision and pastoral sensitivity he encourages Christians to 'be killing sin or it will be killing you.' For the sake of your joy and Christ's glory, I highly recommend this book."

Journeys is a Sunday school class made up of married couples in their 30s and 40s with children ages infant through early elementary years.
