

Welcome Home Baskets for the Women and Men

Greetings FOCUS Supporters,

Helping our student's transition from institution life to family (FOCUS) life is a unique and awesome privilege. Helping them to feel welcome and providing some necessary essentials has been very special to our new arrivals and we need your help to provide welcome home baskets for all our students.

You will find attached a list of needed products and instructions on providing funds for this need specifically. This aspect of the ministry is headed up by Lynn Elkins ([865-216-2566](tel:865-216-2566)) and Cheryl Hall ([865-292-3044](tel:865-292-3044)). All donations should be coordinated through one of these two and/or brought to the FOCUS Office at 11043 Terrapin Station Lane, Knoxville, TN 37932.
