"A Church with Purpose"

Connie Custer, Director

We are always delighted to have new families at our school. Central Baptist Preschool began in 1960 and is blessed to still be thriving in 2018. We offer classes for children ages 1 through 5. Our school year begins at the end of August and concludes in May. Classes begin at 9 AM and end at noon. We pride ourselves in providing your child with a Christian learning environment where they can explore God's world and make new friends.

Parent's Morning Out is offered Tuesday through Thursday mornings in conjunction with our Preschool Program. The purpose of our PMO program is to offer young children the opportunity to play with children their own age in a safe and loving environment. PMO is available for children who have begun to walk and are between one to two years of age who do not reach their second birthday by September , 2018.

Our **two year old classes** meet two days a week. They work on learning colors and shapes as well as what it is like to be in a classroom environment. The children study units that vary from seasons to types of transportation to community helpers. They enjoy learning Bible stories and attending weekly music classes. A highlight of the day is going outside to play on "good weather" days or playing in the gym with balls.

Our **three year old classes** use the A Beka curriculum for learning their alphabet and numbers. With each unit, they will explore the week's theme through music, art, and play. Three year olds attend Chapel on Tuesdays for approximately fifteen minutes where they say their pledges to the Christian and American flag and have a Bible story and singing time. They have fun going to music class weekly and playing on the playground or in the gym with their friends.

Students in three year old classes and up need to be potty trained.

Our **K-4 and K-5 classes** use the A Beka phonics based curriculum. The A Beka curriculum offers children a fun way of learning vowels and consonant sounds through colorful worksheets, games, and songs. They have weekly Bible verses that coordinate with their Bible story for the week which they hear in chapel on Mondays. Each week they attend Music class. They go on a few field trips during the year and have lots of fun celebrating different holidays and the themes of the week. Like all of our classes, the highlight of their day is playing with friends on the playground or in the gym.

Our school is staffed by loving Christian teachers who have experience in working with preschoolers. We invite you to stop by and visit our school at any time. On the following page is a list of classes offered in 2018-19 and the costs. If you have any questions, please feel free to call me at 478-953-9319 or email me at connie@centralalive.org.

Sincerely,

Connie Custer, Preschool Director
