

## A Letter from Pastor Brendan

“Raising Up Fully Committed Followers of Jesus Christ.”

It is an exciting summer!! **Chapel Church will be sending out two mission teams this Summer, 2018.**

1. June 11-15, to Celebrate Chapel's 160 Years of Ministry, a team will travel just down the street to participate in repairing a house as part of Chapel's Heritage Mission Project. This project is provided through a local mission organization (SERVANTS). We have 21 volunteers for this project so far. What a great way to reach out to the community and show the steadfast love of Jesus through our actions.

2. July 8-14, our Youth Ministry will be traveling to New Castle, PA, with a team of adult leaders to provide home help support to a financially hurting community in need of our support and encouragement. Throughout that week, our teens will be painting, landscaping, and participating in building & remodeling projects.

Also, I invite you to mark your calendars for Sunday, June 17, 2018. Matthew Wiemeyer will be the guest speaker that morning. Matt grew up in Chapel Church and he now leads a Mission organization called Operation Strength. Matt will be sharing with Chapel about a Missions Project that you funded through your weekly tithes and offerings to support the advancement of Christ in our World.

I am thrilled to be part of a church that recognizes the vital role of raising up Christian leaders to stand strong for Jesus Christ in the world in which they live. Far more than the physical work we do, which will be substantial, will be the experience in bold Christian service and the expression of Christ's love and encouragement we will carry to persons looking for hope and support.

Volunteering and giving your time to help others in the name of Christ can really make an impact in your own life. When I go on these trips, no matter what is going on in my life, it is all put on the side to serve Christ and serve others. It really is a relaxing feeling. May God continue to bless the ministries of Chapel Church through its wonderful people.

In Christ,

Rev. Brendan Hock

# WORSHIP UPDATE

## **Jen Clubb - Director of Music**

---

### **Special Thanks and Appreciation**

May ended the season for the Chapel Choir this year. They will return to the service in September. I'd like to thank all of the choir members for their dedication, their love for music, and their willingness to show God's love through song. A choir is only as strong as its singers and I am so blessed to work with an awesome group of singers. They are willing to try new things and put God's message first.

Please join me this month in thanking our choir members. When you see them sitting in the pews, let them know how much you appreciate their gift and willingness to share it with our church. I wish them a great summer of relaxation and rest and look forward to working with them again in the fall.

Thanks choir!

## **Matt Logan - Worship Leader**

---

Thank you for your continued support of the worship ministry! After changing multiple aspects of our worship over the last year or so, we've reached a point where things have remained relatively unchanged for a while. Though we are continually looking for ways to improve our time of worship, we are excited where God has taken us through this time.

We want to thank you again for your involvement, support, and connection to the worship ministry here at Chapel. God not only places and uses the people on stage, but also YOU, the people in the congregation. Your engagement fuels the people around you, and it fuels us up on stage!

If you, or anyone you know, sings or plays an instrument and would like to get involved, please contact me. All that we ask is you affirm the purpose of our team, understand the spiritual significance of your participation, and are committed to the team and its schedule. We are very flexible, and can schedule volunteers as little or as often as wanted.

Thanks!

# CHILDREN'S MINISTRY

Bonnie Bluett, Director of Children's Ministry, 717.244.6375 x 108 / bonnie@chapelchurch.org

## June Theme

Our theme for Children's Ministry in June is **Confidence: Living like you believe what God says is true!**

God is more powerful than anyone to do things that would be impossible for you or me. He has proven this throughout history, but nowhere is this more evident than in His sacrifice of His son, Jesus, to save us. This fits in with our VBS theme below where we can have confidence that Jesus will rescue us if we put our faith in Him.

Our Bible verse for this month is: **"I remain confident of this: I will see the goodness of the Lord in the land of the living." Psalm 27:13 NIV**

### Sunday School Plans

---

We will be continuing our study of Romans and our study of O.T. figures through the month of June. So far in this series, we have covered Abram and David. The goal of this study is to show the students how God used these figures to further His kingdom and how God can also use them to carry out the mission that He has set before us.

***Romans 8:38-39 "For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."***

### Volunteers

---

We are still in need of some volunteers for the ministry. We need people to teach, mentor, and just be present and build relationships with the youth.

This is such a huge time in the life of our young people here at Chapel. This is the time when a young Christian begins to make his or her faith their own and you can be a part of that!

## Women's Spring Retreat Update - Library Addition

Our Spring Retreat was held in March of this year and we had an awesome weekend of teaching, fellowship and "me time" for the ladies! Our speaker was Anita Keagy, who came to us from just over the river in Washington Boro. She had a stirring testimony, which started out the weekend and opened the door for us to receive freely her message of the value of God's Word in our life, and specifically when we are able to start the day with the renewing of our mind.

Anita went through an extremely emotional time in her life at the young age of 17. As she sought to find answers to her past, she began to see that God was seeking her as much as she was seeking peace. **Her book is now available in our library, "The File: A mother and child's life-changing reunion".** Trust me, you won't be able to put the book down until you finish the last page. Even though I attended the weekend, the book contains details she was unable to express. [I also have a copy if the library one is in use, just contact me at 717.495.4959, or \[geludwig33@gmail.com\]\(mailto:geludwig33@gmail.com\).](#)

- **21-day Challenge:** Anita has founded a ministry called Joyshop Ministries which is dedicated to sharing the beautiful discovery of prioritizing time alone with God on a daily basis. She has a workbook that very well outlines our need to seek God and His plan to draw us to Him. It's a delightful book with a section to begin your own 21-day journal. [If you are interested in this personal study, please see me for a copy of this workbook.](#)

Thank you for your prayerful support of the women attending our retreat this past spring. We so value and appreciate this ministry within our church, and hope that the message each year will go forth and produce fruit within the womens lives. It truly is more than a weekend and we trust that God will use our time away to be a blessing to our church family and in our community.

- Gaye Ludwig, on behalf of the Women's Retreat Committee

## Small Groups Info from George

Our small group classes are an excellent way to study the word of God in a small group setting. The classes have been studying a variety of topics and lessons using RightNow Media. If you would like to receive a link to join RightNow Media, please send an email to George and he will forward the link to your email.

The topics are all very interesting, engaging, and most importantly, show us how to be fully committed followers of Jesus Christ. Please check our web site for the most updated information about our class offerings. It is never too late to join a small group class. If you would like more information about our classes, or want to know which class may be best suited to your needs, please contact George Bradshaw at [George@chapelchurch.org](mailto:George@chapelchurch.org), or 717-244-6375, Ext. 107.

## Heritage Mission Project

To celebrate the 160th Anniversary of Chapel Church, the Missions Team is undertaking a home helps project with Servants. They are repairing a house June 11-15.

Funding for the project will come from the Chapel Mission budget. Please pray for us & the volunteers from Chapel who are donating time & talents to this project. Thank you for your support!

## Legacy Builders

*Legacy Builders is a newly formed group that will focus on building Christian community among retired adults (ages 55 & over).*

The understanding, wisdom, and wealth of knowledge that people in retirement have accumulated during their lives is invaluable to today's generation. We believe that the Word of God instructs those who are mature in wisdom to faithfully pass on their legacy of faith to the younger generations. Chapel desires to provide those in retirement with the tools that they need to encourage and strengthen one another as they work toward the common goal of passing their faith along.

**We are hosting a covered dish social and music event on June 6, 11 AM - 3 PM, in the Parish Hall. There is a sign-up sheet in the Narthex. Please bring a covered dish to share. Ham & Rolls & Covered Dish provided.**

*For more information, please call Kathy Lyle-Hichew at 717.858.4418.*

# STEWARDSHIP UPDATE

***“For you know the grace of our Lord Jesus Christ, that though he was rich, yet for your sake he became poor, so that you through his poverty might become rich. And here is my judgment about what is best for you in this matter. Last year you were the first not only to give but also to have the desire to do so. Now finish the work, so that your eager willingness to do it may be matched by your completion of it, according to your means. For if the willingness is there, the gift is acceptable according to what one has, not according to what one does not have.”***  
**2 Corinthians 8:9-12**

There is a lot of advice out there on how much to give, how often to give etc... But the ultimate how you give is rooted in your desire to give. This is intrinsically tied to the richness you know best. Do you see your riches in the resources you have or in the Jesus you have? Do you see poverty in where you are or poverty for when you are not responding to grace?

Paul reminds the Corinthians of their past. He commends their prompt response and quick hearts. It's good to start out eager and willing in our generosity and service. It's even better to sustain that momentum with a more permanent and persistent passion.

God is delighted by the gifts we are so excited and inspired to offer to Him. He is honored when we respond to a need without hesitation. These acts show a maturity of trust and an understanding of possibilities for our riches.

Still we remember that Jesus is the one who loved us all so much that he came down from the richness of heaven to embrace our poverty in a broken sinful world. He did it for us. He did it for love. He gave everything willingly. He gave first.

How incredible to be able to place our grateful gift in an offering plate with a joyful smile! How humbling to be able to invite others to give alongside us and to pass a plate like a joyful dance for others join in.

Whatever is willingly put in that offering plate is the amount that makes a difference. This is what shows our richness in love and trust in God. May we strive always to be first in our eagerness to complete our work of giving away riches--which ironically make us even richer than before.

**Brian Conner, Bill Leight, Debi Deller, Esther Hengst, Pastor Brendan, Paul Saylor, Ron Chubb, Missy Eberly, Ryan McCleary, Brian Koons, & Jim Duff**

As a Finance Team, we thank you for your support of the ministries of Chapel Church. Through your generosity, you are having impact not only on attendees of Chapel, but in our community and other parts of the world.

On Sunday, June 17, you will have an opportunity to hear of yet another way in which your giving is having a missional impact. Matthew Wiemeyer will be with us to share about a Missions endeavor Chapel funded through Operation Strength.

Also in June, you will see our Preschool & Daycare Ministry highlighted on Graduation Sunday. This weekday ministry to children is one of the many highlights that mirrors our desire to share the love of Jesus to the youngest of our community. These are just two areas of ministry that happens because of your generosity.
