

PARTNERSHIP

While many churches speak in terms of membership, Chatham Community Church chooses to express this concept as **partnership**, as we are active partners together in advancing the mission of God's church.

Partnership with Chatham Community Church is open to anyone 16 years of age or older who covenants to follow Christ with us and support the mission of CCC through:

- 1) **Worship** (prayer, attendance, regular giving)
- 2) **Community** (small group or other relationships)
- 3) **Service** (using spiritual gifts)

The process for becoming an official Chatham Community Church partner:

- 1) Attend a Discovery Class
- 2) Share faith story with a recognized church leader (pastor, elder, deacon, or small group leader)
- 3) Sign the partnership agreement
- 4) Be publicly recognized in a worship service
- 5) Receive confirmation letter from the elders

Partnership may be dissolved either by the partner at any time, or by the elders after following due constitutional process.
