

Interested in doing something really rewarding this summer?
Want to grow deeper in your relationship with Jesus?
Curious about what it's like to be in ministry?

Check out our summer internships!

What will interns do?

Our summer internships have four elements ...

Mentored ministry

Weekly ministry in your area of concentration. This may mean playing on the worship team, teaching kids, or working with the youth group.

Relational ministry

Ministry doesn't just take place in our programs. Our interns also serve in smaller groups to really connect with the people they're serving.

Capstone project

We'll work together to help you create a unique, high-impact event that pulls together what you've learned over the summer.

Focused coaching

You'll spend time with your internship cohort receiving training in spiritual formation, ministry strategy and theology.

Who is Chatham Community Church?

We're a contemporary, non-denominational church committed to connecting people to God and to each other. We think this is the best way to engage our world for good!

We love Chatham County and are located just south of Chapel Hill and just west of Raleigh. Our local area has a beautiful blend of rural and suburban life and we feel blessed to have a growing ethnic, socio-economic, and educational diversity in our church.

We currently have two campuses and almost 500 people involved in our ministries every week. Learn more at www.chathamchurch.org

What are the details?

- The internships run from June 1st to July 31st
