

MISSION OF HOPE 2018 BACK TO SCHOOL PROGRAM

Do you remember how much fun it was to get new school supplies when you were a child? Parents want their children to have everything they need for a good education, but in Appalachia this privilege is sometimes an impossibility. The Mission of Hope needs your help with its 2018 Back To School Program. This is our 21st annual event and we plan to assist over 12,000 Appalachian children with the school supplies they will need to get a good start to their school year. A donation of \$10.00 will provide a new backpack and supplies to a very deserving student. If you would like to sponsor one or more children, make your tax deductible (we are fully licensed 501c3 non-profit charity) check to Mission of Hope and mail it to:

The school principals and teachers tell us that this program helps all their kids start the new school year on an equal plane and they are so excited when they get these NEW supplies.

*Thank you for your support and
for helping to extend the Hope!*
