

Christ's Greenfield Lutheran School

Never underestimate the difference you can make...

Please help us fulfill one of our greatest responsibilities as Christians – to train and equip the next generation so they can EXPAND the Kingdom of God.

When thoughtful taxpayers participate, the Arizona Private School Tax Credit program is an amazing gift. Since parents cannot recommend their own children for scholarships, they depend on the open hearts of others. Imagine how scholarships would blossom if all church and school families donated to ACSTO and shared the program with family, friends, neighbors and co-workers. Helping students and expanding Christian education is a beautiful journey.

Parents Share With Us...

*"Raising my children in a faith based environment is so important and I found this at CGLS. Paying for it scared me, but when I shared this with Mrs. Wornick she grabbed me by the hands and immediately prayed with me for God's provision. **We have to trust Him and be willing to step out!**" – Lori Blomker*

*"Our son Liam has been attending CGLS since preschool. While he was in Pre K, we found out we were expecting triplets. As working parents with childcare expenses for three infants, we worried CGLS wouldn't be an option. But ACSTO scholarships made it happen. **We are so thankful for ACSTO.**" – Brian and Natalie Roche*

*"Our youngest, Avery, attended CGLS for Pre-K. Once she started to bring Jesus home from school, we knew we wanted her to continue on with Christian education. Not only did the cost scare us for one daughter, but we also wanted to switch our oldest daughter from public school to CGLS. **We are so grateful for ACSTO scholarships.**" – Russ and Dawn McCannon*

Your loving participation brings students and their families closer to Jesus. *When you recommend Christ's Greenfield Lutheran School with your ACSTO donation it creates scholarships for economically challenged students.* Please help us multiply God's Kingdom by donating and sharing the program with a friend. **God Bless you!**

November 2017

Dear Friends of Christ's Greenfield,

We have an exciting opportunity to share with you! Arizona taxpayers can support Christian education by creating scholarships for students at our school without spending a dime! To find out how, please read the enclosed materials from Arizona Christian School Tuition Organization. ACSTO is a 501(c)(3) tax exempt, charitable organization operating exclusively to implement the Arizona Private School Tuition Tax Credit.

As church and school leadership, we heartily recommend this program to you and strongly urge your participation. There is no easier way to support Christian education, at no cost to the donor. Because supporting ACSTO qualifies for a dollar-for-dollar AZ tax credit, your gift directly reduces or eliminates your Arizona state income tax. The enclosed materials explain donation limits and other rules.

Christian Education Matters, Tax Credits Make it Happen!

Children attending Christ's Greenfield Lutheran School EXPERIENCE the love of Jesus every day. Children love to share what they learn; this is especially evident when it comes to what they know about Jesus and His love. Over 220 students at CGLS depend on our faithful participation in the tax credit program, so they might continue to be EMPOWERED by their knowledge of their savior. This is a remarkable opportunity for all of us to fulfill one of our greatest responsibilities as Christians, to train and equip the next generation so they can help EXPAND the Kingdom of God.

Children at Christ's Greenfield Lutheran School learn about God and His Word while also receiving a high quality academic education. It takes so little effort to help a child attend our school. You can mail in the enclosed form or go to www.acsto.org and donate online. Please recommend "Christ's Greenfield Lutheran School, Gilbert" with your gift so ACSTO knows you would like the funds to help children at our school.

By coming together as Christ-centered AZ taxpayers, we empower children to receive a Christian foundation that lasts a lifetime. Please prayerfully consider supporting ACSTO as part of your annual tax planning. AND if you already participate, PLEASE share this program with a family member, neighbor, or friend. *Your participation Changes Lives!*
