- **Science:** Macmillan/McGraw-Hill
- **Social Studies:** Pearson-Scott Foresman, Scholastic News and thematic units
- **Enrichment:** computers, library, physical education and Spanish
- **Fine Arts:** art, choir, music and participation in a theater production (Grades K-4)
- **Technology:** document camera, iPads, and other technology tools utilized for lessons

Christ. Quality. Community. ~ Grade Level Goals

Christ: Building a relationship with Jesus. Practice grace, forgiveness, expression, and encouragement daily to promote positive relationships with peers, teachers, and family members. Recognize and appreciate God's hand in all creation. Participate in daily prayer, devotions, and a weekly chapel.

Quality: Grow in maturity, knowledge, and ability through hands-on and discussion-driven lessons and activities. Practice organization and successful work habits. Learn through a variety of methods (student-led projects, cooperative groups, pair and share, small groups, teacher-directed and exploration).

Community: Work together to develop Christ-centered relationships with each other, teachers, and families. Honor a classmate each week by learning more about him/her and creating a class book for that student. Be a role model in and outside of the classroom. Participate with classmates in the *Hearts and Hands in Motion* community service projects.

Extracurricular

- **Athletics:** ADM (Athletic Developmental Model) and cheerleading
- **Clubs:** Chess Club and Running Club

Field Trips and Special Days

Various field trips are taken each year which tie into curriculum and/or develop an appreciation for the arts. Trips taken in past years include children's theater performances, the Phoenix Zoo, and the Riparian Preserve. Special K-2 celebrations include Johnny Appleseed Day and 100 days of school.
