Women’s Ministry Informational Meeting
Robyn Finkner & I (Brita Wegrzyn) took the baton of stewardship of women’s ministry last year & have been prayerfully working towards being able to share ways you can be involved in what IS going & what IS coming!! Working & praying alongside us is a leadership team of women. They have been holding Robyn & I accountable, praying for us & you, bringing invaluable wisdom & input to many of the ideas we have, serving you & being a valuable source of help to this ministry.
Women’s ministry is a complementarian ministry. Complement is defined: Something that completes or makes perfect; either of two parts or things needed to complete the whole; counterparts.

From Genesis, we read that when God created man & woman, He created them as equal image bearers but with differing roles. The role of the woman was to be a HELPER or complement to man. In the New Testament, we read of God’s instructions to the church of the roles that men & women were to carry out for the building up of the Body of Christ & the advancement of His glory.

Therefore, women’s ministry is not a program that functions as a separate entity but is a ministry that comes alongside the church. Our women’s ministry is under the authority of the elders of CBC and our function is to build up the Body of CBC within our God-ordained roles. Women’s ministry provides a place for us to use our spiritual gifts for His glory!
REMINDER about our role as a HELPER

- Helper is one of the descriptions of God. In the Psalms, a number of times He is called our Helper
  - (Psalm 10:14; 20:2; 70:5; 72:12-14; 86:17)
- He put as part of our role to manifest an aspect of His character. That should give us cause to see our great value as women.

“Our soul waits for the LORD; he is our HELP and our Shield”

~ Psalm 33:20 ~
The women’s ministry at CBC exists to complement the church through teaching & training women to grow in maturity of Christ (Colossians 1:28), with a view towards strengthening marriages & families, discipling & mentoring the next generation of believers, shining the light of the gospel in the community & the world beyond, & building up the Body of Christ.
Why we will be careful in choosing of speakers, studies & activities we take part in. They need to fit into our mission, purpose, value & vision of WEM!
SYMBOL of WEM

- The Magnolia flower is to remind us of our mission & vision. In *True Woman 101*, Nancy DeMoss Wolegemuth & Mary Kassian talked about in Chinese art the Magnolia flower represents “feminine beauty & sweetness.” The popular phrase “Steel Magnolia” is used to describe the delicate yet strong nature of Southern women. That phrase “steel Magnolia” express the nature of what it is to be a woman. Seeing the Magnolia on our women’s ministry things will remind us that we are to be women whose hearts are responsive to God & are courageously determined to live our lives for His glory.
