

Life Groups

At CrossWinds Church, our vision is to connect all CrossWinds attenders in meaningful and Christ-centered relationships. ***We do this through Life Groups.***

In communities of 5–15 people and couples, Life Groups create opportunities to build relationships and accountability, dig deeper into the sermon studies, enrich your prayer life and enjoy times of fellowship.

Life Groups will meet every other week beginning in late September/early October through mid-December and mid-January through May.
