Parent Volunteer Form 2012

We are excited to welcome our Awana parents as volunteers at Del Rey Church in our Awana clubs. It is exciting for children to have their parents participate in their club and it allows parents to learn more about what their child is learning and doing while at Awana. Our goal at Del Rey Church is to partner with parents/guardians as they disciple their children and Awana is a program we offer to bless families as they disciple their children. All of our volunteers go through a screening process to assure the safety of children and the integrity of our program. For parents who are volunteering in their kid's class, we shorten the volunteer process since the responsibilities and expectations are different, given they are helping solely in their child's class. With that said, volunteers are around other children even still, so we have qualifications for volunteering. As far as qualifications for parent volunteers, we have a two-fold criterion: safety and spirituality. On the safety side, we all volunteer parents must be free of a sexual conviction/criminal record and/or crimes against children. On the spiritual side, we require that all of our parent volunteers be genuine professing Christians who faithfully attend a genuine Christian church, in which they are in good standing and from which they have the full support of their church leadership to volunteer. With that said, if you fulfill these simple qualifications, we invite you to complete this form and pursue volunteering in your child's class in our Friday night Awana program. In advance, thank you so much for taking the time to fill this out and for your desire to help. We pray the LORD will richly bless you for your sacrifice of time.
