Bishops' Travel

After some vacation, Bishop David along with Bishop Darren will be attending the House of Bishops & will be travelling to Israel to attend GAFCON Meeting.

Self-Care

Try these self-care tips. They are quick and easy and will help you refocus on God:

- Go for a 5-minute prayer walk: pray for your community, your family, for yourself
- Listen to songs of praise or sing one of your favourites to yourself
- Take a moment to drink a tea, water or coffee
- Write a short letter to Jesus
- Pray the Lord's Prayer

Youth Ministry

TEC:

Youth are invited to attend our second TEC this summer in Yellowknife, NT. The dates are September 1st-3rd, 2018. The goal of Teens Encounter Christ (TEC) is to provide a safe, non-judgmental place where young people ages 16-21 can take time from the pressures of the outside world to think about and maybe decide where Jesus fits into their lives. Applications are now available.

Youth Ministry School 2018:

We would like to invite youth leaders and those interested in becoming youth leaders to attend our second youth ministry school in Iqaluit. The dates are September 16-23rd, 2018. This training is for those interested in youth ministry and becoming trained youth leaders in their local communities. The training, accommodations and food will be provided at no cost. Airfare and transportation will need to be fundraised by the youth leader or provided by parish, regional deanery or grants. There will be the two-day Applied Suicide Intervention Skills Training workshop afterwards. Applications are now available.
