He is Risen!

Dear Senior,

In our last newsletter I mentioned that the sunny days of April would be bringing us some nice warm weather but it looks as though we don't have to wait till April because we have not only had some sunny days but some very warm days even here in February!

We have had lots of interesting and inspiring programs at Joyful Christians over the years but our program in February was one of the most anointed programs we have ever had. The drama of the "Woman at the well" meeting Jesus was so covered with the Spirit of God that I thought we might go up in the rapture any minute. For those of you that were not there I wish we had videoed it, and for those of you who were present, I'm sure that you will agree with me that it was one of the finest and most inspiring programs we have ever had. We never know when God's Spirit is going to come onto a group or unto a program or message or sermon but wonderful things happen when the Spirit comes.

Those of you who are not in our "old folks choir", we would like to encourage you to come. Please don't think that a requirement for you to be a part of us is that you have to have a good voice. That's not a requirement. If you love Jesus and want to fellowship and have fun as well as inspiration, then just come on Wednesday's at 10:00 am. We sing, worship, cut up and eat and its one of the highlights of the week for me. I was thrilled last Wednesday as we sang at the Nursing Home that an older gentleman who was present gave his heart to the Lord Jesus Christ as He was gloriously saved! Just think, if we had not ministered with our old folks choir, then that man might have gone into eternity unprepared. So, we must never think that any of our efforts for the Lord are in vain--He uses them all!

We are working on a trip to see the Ark Encounter and Creation Museum in September. Some of our people who have seen it tell us that it is wonderful and incredible. It is a duplication of the Ark that God used to save the people in Noah's day and it will amaze you to walk through it and make that part of the bible come to life!. Our last two trips have been cancelled because we didn't have enough people to sign up so pray with me that we will get at least 40 so we can make the trip at prices we can afford. You have enough time to "save up" for it and I hope you will join us. Invite friends or family members who are not members of Edgewood to come. That would give us a chance to meet new friends in Christ and have some good fellowship. I will soon get out to you details of dates and specific information concerning what we will do each day and what the cost will be.

Please know that its a joy and privilege for me to serve as minister to the Senior Adults--the greatest people on the face of the earth!
Yours in Christ, Brother David
