

Edgewood Baptist Church  
Senior Adult Ministry  
3564 Forrest Road  
Columbus, GA 31907

Dear Seniors,

Well, I hope that you survived the snow! Actually, we didn't get much in Columbus but in some of the outlying areas they got a good bit. We are fortunate that we don't have a lot of that cold weather in this area and if we make it through the "windy winds" of March we will begin to experience the "sunny breezes" of April and then till the beautiful Fall, we can complain about the hot weather!

As you can see elsewhere in this letter we have great programs planned for the Month of February. As you know, February is the month where love is emphasized and at our Widow/widowers meeting Andy Johnston will be crooning some love songs for us and we will all be reminded that this is a special opportunity to express God's love to some of our friends and family members. Try to think of a shut-in or someone who has been sick or any of our dear members who have lost a loved one in recent months and express your love to them along with your prayers.

God continues to bless Edgewood Baptist Church and we have had a number of new members to join us in recent weeks so be sure when you don't recognize someone sitting around you, introduce yourself and seek to find their name. We also are grateful that we have had a number of people who had left our church who are returning. A number of them have told me, "we feel that we are back home!" and that makes us all happy to hear.

At our Joyful Christian meeting, we will have as our program Gail Gentry returning. She is a very talented person and she will be sharing some of that talent with us. So, we pray February is going to be a great month for those of us who are seniors. And, I still believe that Edgewood has the best group of seniors to be found anywhere!

Also, please let us know when you hear of our people who are in the hospital or going through any difficulty. So often, Our members are in the hospital or out for sickness and we don't hear till its all over. We certainly want to keep up with any who need to be checked upon and would be grateful to hear so that we can minister to them.

Its a joy and privilege to be minister to the seniors! Yours in His Love, Bro. David
