Dear Senior,

Its a pleasure to greet you in he name of the Lord!

I trust that you had a good month of Feb. and that you expressed your love in word or need to someone who was blessed by your thoughtfulness. Its amazing what just a call, a visit, or a note can do. All of us want to be loved by others and God's Holy word commands us to "love one another"

Edgewood Church has had a good history of expressing love in many various ways and our seniors have been right at the top of the list in doing this. Most of us can remember when we were going through a "down" time in our life when someone called or dropped by or told us they had been praying for us. You know, even when we might be sick or shut-in we can still travel anywhere in the world through the means of prayer and only eternity will reveal how God has used our prayers in helping others.

I would also encourage you to never give up in praying for others even when you don't see anything happening in the things you have prayed for. Just recently, I was blessed as I heard from one of my 20 grandchildren who contacted me and said, "Grand dad I have been so selfish toward my mother and many others. I have come back to God and thanks for never giving up on me" We all had been praying for him a long time and what a joy when we were privileged to see an answer tour prayers. Sometimes, we may not see our prayers answered but God in His sovereign way uses all our prayers in His great overall plan of running this world.

Already we have seen some beautiful warm days even though Feb. and March can bring some very cold weather but before we know it the "windy winds of March" will be replaced by the "sunny" breezes of April and we will be blessed, as always, in ways that God uses weather to help our lives.

We have some good programs planned for March as you can note in other places of this newsletter and I hope that you will be able to enjoy them. Just a reminder, you are more than welcome for any of our programs to invite non-church members to our programs. We would be delighted to welcome them. Sometimes an invitation to one of our programs results in someone joining our church or being helped in their spiritual lives.

Again, I want to express my thanks to you and to the leaders of Edgewood Baptist Church for allowing me to be the Pastor to the seniors. It is an honor and joy. Also, if you have the names of anyone that we have failed to invite or visit, please let me know their names and we will see that some contact will be made. Also, if you know anyone that would like to be on our monthly mailing list, let me or Patty at the Church have their name and address and we will certainly get them on our mailout.

May each of you know God's best in the lives of you and your loved ones! Always, Brother David
