## Cities to Come

Cities To Come is a mostly acoustic band that leads worship in the Phoenix area. They have a sweet, clean, and sophisticated sound and vibrant, rich harmonies. What really sets them apart, though, is their genuine love and passion for Jesus and for worship. David Martinez and Kelly Abram stumbled upon a co-worship leadership opportunity that led to a friendship and ultimately a passion for writing, singing, and leading God's people in songs that are of the church and for the church. Theirs are lyrics that combine the truth of scripture with lovely and singable melodies.
