

Dear Parents,

We are very excited to have your child attend Camp Shamineau's 7th annual Children's Retreat! Here are some important details you should know:

Camp Shamineau is developing a variety of different activity areas for the weekend. Each church group will have their own schedule of activities for the weekend and your children will experience these activities as a group. We will of course have chapel, music and all of the fun that goes along with chapel time!

Activity Areas: These activities will not cost any additional money (except the snack shop!)

- Hayrides
- Gym/Bouncy Castle Activity
- High Ropes Course
- Low Ropes Course
- Ranch Activity with the horses
- Campfire Donuts
- Snack Shop
- Craft

Things to Bring:

- Bedding-sleeping bag or warm blankets/sheets.
- Clothing-casual warm clothes
- Towel and toiletries
- Flashlight
- Bible, notebook, pen
- Extra spending money for snack shop and supper on Friday night, lunch on Sunday.

We will be doing many activities outside, so be sure campers bring warm outdoor clothes! These may include boots, snow pants and mittens, depending on the weather.

If you have any questions about the weekend, please contact me!
