

FBC INCLEMENT WEATHER POLICY

In the case of bad weather, it is important for everyone to be safe. Please do not travel to Faith Bible Church's facility for worship services or events if you feel that doing so would be unsafe. If bad weather makes you wonder whether worship services or another church event has been cancelled, here's what you should know:

1. The decisions to canceling Sunday Morning classes and/or services will be made by 7 AM that morning.
2. If FBC chooses to cancel services, we will provide that information to WFIE-14 (the local television station) and they will air the announcement.
3. The church's website FBCEVANSVILLE.COM will also carry the announcement.
4. The FBC PPA (Prayer, Praise, & Announcement) Email Bulletin will be sent out to everyone who has signed up.
5. Small group leaders and leaders of volunteer teams will also reach out to their groups by phone, email and/or texting.
