Dear Friends at First Baptist Church,

It has been a great blessing to be in church with you all again. Thank you so much for your continued support, for the rides to church, and for the help you give me. God bless you for all you do for me.

I began my last letter saying I was late. I'm late again this month. This time it's due to days spent in the hospital.

I'd always thought I was quite healthy. Then I had an accident and scraped a couple inches of skin off my arm. I went to the clinic to have it taken care of, and it was healing nicely. Then on my last visit there, the nurse said I had a fever and wasn't looking good, and sent me to the ER [which is in the Passavant Hospital in North Hills Pittsburgh.] They put me in the hospital and began tests. A bladder infection was taken care of, I was diagnosed with congestive heart failure, and am being treated for that. They found my blood disease and are having me see a doctor for that [it will be a once a year thing.]

All this happened the day after Nancy and a nurse here finalized health insurance for me! Anyway, I'm back home, gradually getting back to normal.

We've had an abundance of special Christmas concerts, programs, and other festivities. I trust your Christmas is one of great blessing. Your giving to my support has been a great blessing to me. Thank you.

God bless you with GRACE LOVE PEACE

Jane Lieb
