Notices

My Piedmont Church Family: Wednesday, (Sept. 26) was my new birthday, five years ago when I had my stem cell Transplant for lymphoma. Thanks be to God and my many prayer warriors. You have all been right there for me since my illness began. Thankfully the cancer is gone. The side effects from the treatment still linger and there are days I have little energy. However, you will never know the smile that spreads across my face when I think of you or when I receive a card. Your Church has such a sweet spirit and closeness. Please continue to let me know when members are sick so I can pray for them as you always pray for me.

**Much Love,
 Marsha Sanders**
